The diagram illustrates a file dependency structure. At the top is a header file box (shaded gray) containing the text: mia_hand_description, /include/mia_hand_description, and /mia_thumb_opp_passivejoints.h. Below it are two source file boxes. The left box contains: mia_hand_description, /src/mia_thumb_opp_passivejoints.cpp. The right box contains: mia_hand_description, /src/remap_mia_joint_states.cpp. Two blue arrows point from the source files to the header file, indicating that both source files include the header file.
